7th KENYA INTERNATIONAL SCIENTIFIC LUNG HEALTH CONFERENCE (KISLHC)

DATE: Wednesday 5th to Saturday 8th August 2026

VENUE:

Diani Reef Beach Hotel, Kwale - Kenya

Conference Theme:

***“From Detection to Recovery: Integrated Pathways & Patient-Centered Innovations
in Lung Health”***

ABOUT THE KENYA INTERNATIONAL SCIENTIFIC LUNG HEALTH CONFERENCE

Respiratory diseases such as Asthma, Chronic Obstructive Pulmonary Disease, Pneumonia and Tuberculosis remain major causes of illness and death among Kenyans with available statistics suggesting a rising burden of these diseases possibly as a result of increased urbanization and air pollution.

The Kenya International Scientific Lung Health Conference (KISLHC) offers a platform for dissemination of the most updated information on the latest developments in research and clinical practice in the field of lung health and respiratory medicine. It provides stakeholders an opportunity to debate on controversial issues, challenges, and solutions; share experiences and to bring their personal contribution to the area.

The 7th Kenya International Scientific Lung Health Conference (7th KISLHC) will be held in **Diani Reef Beach Hotel, Kwale - Kenya**, on **5th - 8th August 2026**. 500 delegates are expected to attend.
